Christmas Guide

www.hisandhersbeautyss.com.au

We have so many amazing packs and packages in the salon for Christmas and I wanted a guide that will show all of you what we have available and would love you to look and support the salon if something jumps out at you.

Some of the options there will only be 1 or 2 available and some will be infinite and will just need to be ordered. So, the quicker you get me your orders the quicker I can get them into your hands and all booked up ready.

Picture will show what is included and how they will be presented and a little description of what is included and pricing and how many are available.

Just send me a message with the page number and I will give you a call for payment and I will start making Christmas quick and easy for you.

Thanks
Amanda
